### THE SPIRIT'S ACTIVE POWER

The mystery of the Trinity refers to one God in three persons. We frequently acknowledge Jesus as “the second person of the Trinity,” but referring also to the Spirit as a “person” comes less naturally. In religious art, the Holy Spirit often appears as a dove or, as in today’s reading from the Acts of the Apostles, tongues of fire. Much rarer are images of the Spirit as a “person” in recognizable human form. Today’s readings do not settle the issue of how to picture the Spirit, but they certainly give shape to the Spirit’s active power in the world and in each human heart. In Acts, the Spirit enables people to speak and understand a variety of languages. Paul’s letter to the Corinthians praises the Spirit for all kinds of spiritual gifts, services, and “workings.” Finally, in John’s Gospel, Jesus calls the Spirit our Advocate and our divine teacher.

### SMALL PLEASURES

Little things seem nothing, but they give peace, like those meadow flowers which individually seem odorless but all together perfume the air.—*Georges Bernanos*

### Pentecost Sunday TREASURES FROM OUR TRADITION

Today we are at the fiftieth day of the Easter celebration: seven weeks of seven days, a week of weeks, now culminating in a festival fiftieth day. While the liturgical color of the Easter season is gold, on this last day we have red. For the first thousand years of the church, there were no firm rules for using colors. Only wealthy churches could afford a full array of colors, and most places used the best vestments, no matter the color, for the greatest feasts. The Church spelled out an exact plan for color, including red for Pentecost, only in 1570, but local differences held on until the 1800s.

Color experts tell us that red is a hot color, best used for fast-paced, upbeat, active experiences. It is hard to be neutral before red, as any matador will tell you. It invites commitment, draws you in. It is a stimulating color, engaging the eye, stirring hunger. It is the most fitting color for this day when we celebrate the descent of the Holy Spirit into our lives, a dynamic presence overturning neutrality in favor of passion and commitment.

### PRAYER OF THE WEEK Pentecost Sunday

*At the Mass during the Day*

O God, who by the mystery of today’s great feast sanctify your whole Church in every people and nation, pour out, we pray, the gifts of the Holy Spirit across the face of the earth and, with the divine grace that was at work when the Gospel was first proclaimed, fill now once more the hearts of believers. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, God, for ever and ever.

### Reflection question:

With which gifts of the Holy Spirit do I feel particularly blessed?

**CELEBRATING THE SAINTS**

**ST BARNABAS (c. 75)**, was born in Cyprus, of the tribe of Levi. His given name was Joseph, but was called Barnabas (“son of encouragement”) by the Apostles. St Luke describes him as “a good man, filled with the Holy Spirit and faith” (Acts 11: 24). He donated the proceeds from the sale of his property to the Apostles for the poor (Acts 4: 37). He brought Paul with him to Antioch to minister to that community, and over a year they taught a large number of people (Acts 11: 22-26). Companions on other missionary journeys, they separated for a time over differences, but ultimately were reconciled.

**His Feast Day is June 11th**

**LIFE, JUSTICE, AND PEACE**  
**World Environment Day**  
**June 5, 2022**

Promoted by the United Nations and held annually since 1974, **World Environment Day** is the largest global platform for environmental public outreach and is celebrated by millions of people across the world.

Nature is in emergency mode:

- The **climate is heating up** too quickly for people and nature to adapt.
- **Habitat loss** and other pressures mean an estimated 1 million species are threatened with extinction.
- **Pollution** continues to poison our air, land and water.
- We are using the equivalent of **1.6 earths** to maintain our current way of life.
- Our lifestyles are associated with 2/3 of all **greenhouse gas emissions**.

Truly **transformative options towards sustainability** need to be available, affordable and attractive for people to make better daily decisions. *[un.org]*

**Catholic Social Teaching: Care for Creation**

We show our respect for the Creator by our stewardship of creation. **Care for the earth is not just an Earth Day slogan, it is a requirement of our faith.** We are called to protect people and the planet, living our faith in relationship with all of God’s creation. This environmental challenge has fundamental moral and ethical dimensions that cannot be ignored. *[USCCB]*

“The urgent challenge to protect our common home includes a concern to bring the whole human family together to seek a sustainable and integral development, for we know that things can change.” *[Pope Francis, Laudato Si’, #13]*
